19th February 2020

Dobri dan, Bonjour, Hola, Zdravstvuyte, Nǐn hǎo, Salve, Konnichiwa, Guten Tag, Olá, Anyoung haseyo, Asalaam alaikum, Kia ora koutou, Greetings everyone,

It is amazing what can happen in a day, and we all experienced this on Sunday when we moved into Alert Level 2. We sincerely appreciate the support you have showed adhering to our Level 2 practices and procedures. The staff and children transitioned well into Level 2 and then back into Level 1, we will certainly continue to watch this space in regards to COVID-19 alert levels.

Thanks to everyone who attended the Meet the Teacher evening. This was a well attended event and it was wonderful to have you all wander through the classrooms. Thanks also to the PTA for

Hats

School hats are compulsory in terms one and four. If your child does not have one, please purchase one from DD Gold. Just like other uniform items, non-regulation hats are not to be worn.

Bikes at School

If your child rides their bike to school and they leave it in the bike stands all day, we encourage your child to bring a chain to lock it to the stands.

The staff have been part of some PLD (Professional Learning Development) about Restorative Practices. This is led by the Ministry of Education and ties in well with our PB4L (Positive Behaviour for Learning) work. Restorative Practices focuses on building and maintaining positive respectful relationships. There are now specific questions that we as a staff ask children when there has been an issue between some children. Here is some further information: What is PB4L Restorative Practice? Have a wonderful weekend everyone.

Koru Kids are KIND KIDS

When someone does or says something that hurt you, BUT they didn't mean to,
that's an **accident**

When someone does or says something that hurt you, and they meant to,
that's **being unkind**

When someone does or says something that hurts you repeatedly,
that's **bullying**

KKPS is a KORU School.

We have 4 values: Kia Kaha, Owning our Learning, Respectful and Responsible and Understanding and Accepting. We promote these values in all that we do. Teaching these values to our tamariki is a journey and so we are continually looking at ways to promote positive behaviours for learning.

Koru Kids are Kind Kids was developed to help promote consistent language when we talk about things that have hurt our feelings. This visual has been shared throughout the school to help children when they talk. We would really appreciate you using these words when you talk with your children at home too.

PTA

We would love to have more people join the PTA (Parent Teacher Association). This amazing group of parents meet a couple of times each term to discuss fundraising ideas etc. They run amazing events like the upcoming Giant Festival. If you are interested in joining us, please email: pta@kkps.school.nz

Police vetting

There have been a few parents disappointed that their police vetting was not processed in time for them to attend camp. Unfortunately it can take up to 6 weeks for the Police to process these applications and this is out of our control. We encourage all parents to be vetted now to avoid disappointment in the future. Vetting is valid for three years.

[Click here](#) for the vetting form, this must be taken to the office by the applicant with 2 forms of identification from the list.

The programme covers strategies for helping children with reading at home; specifically how to provide encouragement and support as well as what to do if your child needs help when they are reading. Reading Together is run in many schools across New Zealand. Whanau who have completed the programme have said how successful it was for their child's reading progress and confidence.

The programme consists of four one hour sessions held here at school. They will run from the fifth week of term two. We will provide free child care for families who are attending the programme. There will also be food provided for those attending.
