31 May 2024

Kia ora koutou, Dobri dan, Bonjour, Hallo, Hola, Zdravstvuyte, Nǐn hǎo, Salve, Konnichiwa, Namaste, Guten Tag, Olá, Anyoung haseyo, Asalaam alaikum, Greetings everyone,

We hope this newsletter finds you well and excited for the upcoming long weekend.

## Exciting Science Inquiries

Our classrooms have been buzzing with excitement as our children dive into their science inquiries. This term, we have been fostering a hands-on approach to learning, encouraging our students to ask questions, conduct experiments, and explore the fascinating world of science.

To supplement their classroom activities, we had the pleasure of hosting the Science Roadshow at our school. The Roadshow provided a range of thrilling science experiences, from interactive exhibits to

captivating demonstrations. The children were certainly inspired, and it was wonderful to see their curiosity and enthusiasm in action.

We also held a Science themed Roopu day. Thanks to the parents and caregivers who came along and joined us on this day.

## Enjoy the Long Weekend

Finally, we wish you all a restful and enjoyable long weekend. Take this time to relax and recharge, ready for the exciting activities and learning ahead.

Thank you for your continued support and involvement in our school community.

Ngā mihi  
Dr Sarah Brown

# Class of the fortnight

## Room 21 - Phoebe Sinclair

Room 21 has been lucky enough to have Rosie from the Whitebait Connection coming in to talk about our waterways and how we can protect them, as part of our Inquiry. We have looked at how pollution occurs and adds up over time, as well as how to test the water. In a few weeks time, we will be going on a field trip to the Wairoa Stream to test the water ourselves!
