28 June 2024

Kia ora koutou, Dobri dan, Bonjour, Hallo, Hola, Zdravstvuyte, Nín hǎo, Salve, Konnichiwa, Namaste, Guten Tag, Olá, Anyoung haseyo, Asalaam alaikum, Greetings everyone,

Matariki Evening

Thank you to everyone who attended our Matariki evening last night. It was a fantastic turnout and a beautiful way to celebrate the Māori new year together as a school community.

A special thank you goes out to Jess Moir and Wai Muunu, along with the PTA, for their incredible organisation behind the scenes. Their hard work ensured that the event ran smoothly and was enjoyed by all. We are also grateful to all the volunteers who contributed by making delicious soups, adding warmth to our gathering.

Uniform Reminder

A friendly reminder about the importance of wearing our school uniform. It not only fosters a sense of pride and belonging but

also helps maintain our school's positive image in the community. If your child needs additional uniform items, you can purchase new items from DD Gold or explore second-hand options available through our PTA. Details on how to purchase these items are provided on the side of this page.

Long weekend

As we head into the long weekend, we hope everyone enjoys a well-deserved break. We look forward to seeing everyone refreshed and ready for more learning and fun on Monday.

Thank you once again to everyone who contributed to the success of our Matariki evening. Your support and participation make our school community stronger.

Ngā mihi
Dr Sarah Brown

Morning Tea with the Principal

The Plough and Feather host a weekly Morning tea with the Principal at their restaurant.

Each week two children who consistently show amazing KORU kids values will join Senior Leadership Team to have morning tea.

Congratulations Denizcem Cilgin, Henco Cronje, Prince Pado & Elise Powrie.

THANK YOU

A HUGE thank you to all who donated a crock pot of soup. The PTA is very appreciative of the support received at the Matariki Evening on Wednesday.

Class of the fortnight

Room 24

Emma-Lee Dromgool

For our Science Inquiry this term, Room 24 students have been working with Rosie from Whitebait Connection to analyse the water quality of one of the local waterways, the Wairoa Stream. This involved a field trip to the stream, where we tested the water temperature, clarity, and acidity. We also used nets to gather and count bugs in the water. We have learned that the types of bugs and the amount found can indicate whether the stream is healthy or not. We then sketched the bugs we found using sketching techniques we have learned this term in Art.
