18th October 2024

Kia ora koutou, Dobri dan, Bonjour, Hallo, Hola, Zdravstvuyte, Nǐn hǎo, Salve, Konnichiwa, Namaste, Guten Tag, Olá, Anyoung haseyo, Asalaam alaikum, Greetings everyone,

We are pleased to report that the children have had a settled and positive start back at school this term. A warm welcome to all of the new families who have joined us—we're excited to have you as part of our school community!

This term is a short one, with just 9 weeks, and it will no doubt speed by! Please note that we will be finishing the term on **December 13th at 12pm**.

## PTA Fundraiser - Monster Mash

Our PTA has their major fundraiser, **Monster Mash**, coming up on the **31st of October from 5-8pm**. There will be bouncy castles, a merry-go-round, delicious food, and lots of fun activities for the whole family. Don't forget to dress up in your favourite Halloween costume!

Details have been shared on Dojo, and we are looking forward to a fantastic event! If you are able to help out by volunteering at one of the stalls, we would greatly appreciate it. We have two shifts available: **5:00-6:30pm** or **6:30-8:00pm**. Please email the PTA at [pta@kkps.school.nz](mailto:pta@kkps.school.nz) if you can assist.

## Hui at Te Tii Marae - November 14th

Our local schools (KKHS, Riverview, BOII, Harvest and KKPS) have been working with Matua Kipa Munro and hapu members from Ngāti Rēhia to discuss how local history, te reo, tikanga and stories can be woven into school culture and curriculum. The working group, called 'Te Pūherenga' have been creating a range of teaching and learning resources for all kura, Kaiako, ākongā, whānau and hapu.

We are holding a Kerikeri-wide whānau hui at Whitiara Marae on 14 November from 5.30pm to 7.30pm. The Kaupapa of this hui is to share the mahi from the Te Pūherenga initiative and also to have a kōrero with whānau to develop a shared vision for education in our community. Dr Lisa Watson (Ngāpuhi and Ngātiwai) from the University of Auckland and Jane Jarman, from Kerikeri High School will facilitate the hui. You are welcome to attend this hui.

## Sensory Room Grant

A huge thank you to Jordan Cox-Glasgow, who recently secured a generous **\$10,000 grant** from Pub Charities to purchase new resources for our sensory room! This space is a vital support for children who may feel dysregulated, providing them with tools to help them regain calm and focus. Thanks to this grant, we will be able to expand the range of resources available, ensuring that all students have access to what they need to thrive.

We hope to see you all at **Monster Mash** on the **31st of October** for an evening of fun, food, and entertainment. Have a wonderful weekend, everyone!

Ngā mihi

## School Bus Routes and Stops

Recently, we have been asked about the location of the school bus stops. These are set by the Kerikeri Transport Network who manage our school buses. Bus stops have to be safe places for students to get on and off the bus as well as safe places for the bus to pull into and then pull back out onto the road. The visibility of the driver to see the road and any hazards is of utmost importance. This may mean that the bus stop is not as close to your house or may even be on a different street.

The MOE sets guidelines for safety of students on school bus routes. Schools ensure that students get on the bus after school and reinforce the rules for all students to be seated, facing forward and wearing a seatbelt if one is available. Students are told not to distract the driver and to remain seated for the ride.

Parents must ensure children get to and from the bus stop safely and care for them at the bus stop. This means that all students should be taken to the bus stop by a parent or caregiver and this person should see them get on the bus. After school, a parent or caregiver should be at the bus stop to meet their child. It is the parent's responsibility to get children safely to and from the bus stop and care for them at the bus stop.

We are working with all the schools in our local area to ensure safe transport for your children. Please support us by reminding children about safe behaviour on and around the school bus.

Each term, the school community (board, staff, parents/whānau) is invited to review and comment on specific policies and procedures. This feedback is captured on School Docs.

# Room 9 Waimarie Muunu

**Class of the fortnight with Pūkeko, akomanga e iwa (room 9)**

What another amazing start to our term. We had Billie and Carter lead our school whakatauki on the very first day! They stood strong, projected their voice and spoke clearly. All in te reo Māori. Ngā mihi nui ki a kourua.

We have done so much learning both inside and outside of our classroom.

We are looking forward to another exciting term of mahi pāngarau (maths), pānui pukapuka (reading), pūtaiao (science), mahi tuhituhi (writing), ngā toi (arts), kapa haka and enhancing our learning through te reo Māori me ngā tikanga (Māori language and culture).
